

## HighWay conference

Design: Martin Ballendat

**Ästhetik auf höchstem Niveau.** Markantestes Element der **HighWay-Modelle** ist der polierte Rückenlehnen-Rahmen aus Aluminium. Ausgezeichnetes Design, Liebe zum Detail, anmutige Materialkombinationen und hoher Komfort charakterisieren alle Konferenzdrehessel und Freischwinger der Produktfamilie HighWay.

**Aesthetics at the very highest level.** The most striking feature on the **HighWay models** is the polished aluminium backrest frame. Award-winning design, attention to detail, attractive material combinations and great comfort are features of all conference swivel chairs and cantilever chairs in the HighWay product range.

 **HW 16280 002** comfort
